

Riverton Re-Route

Riverton City

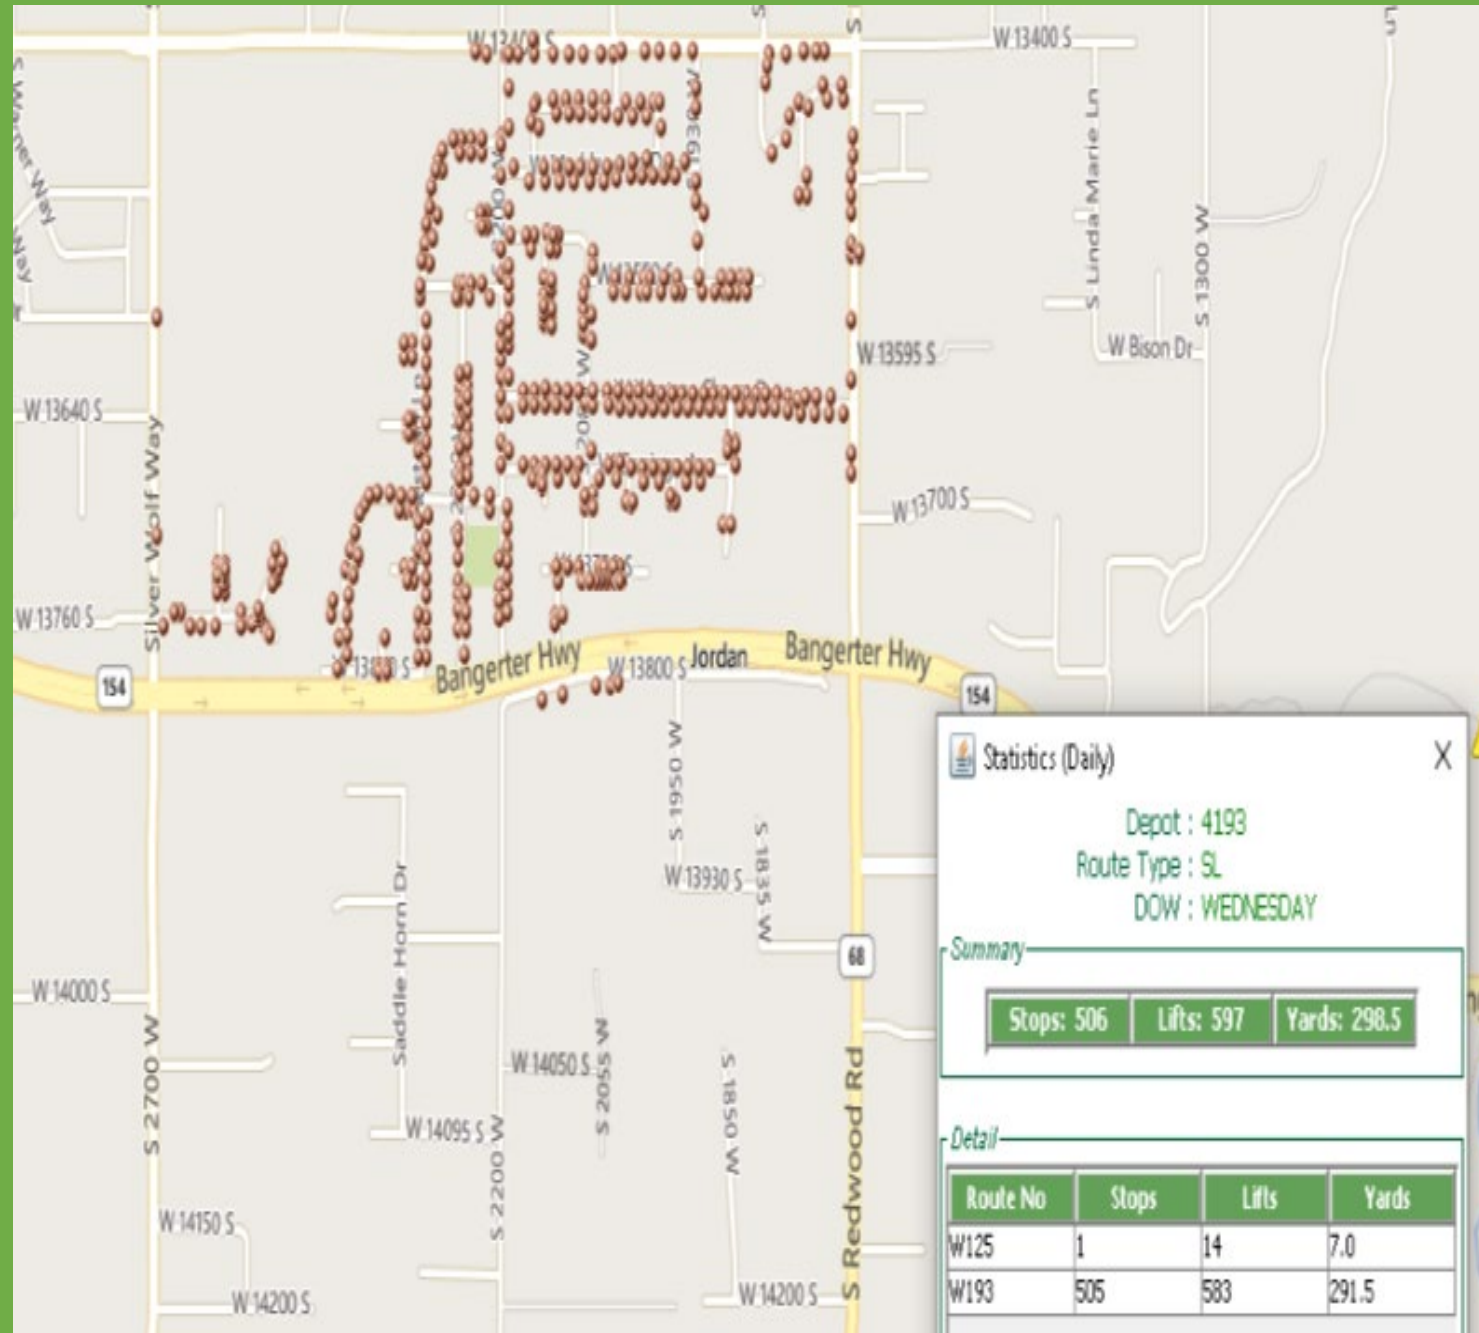

Day Change proposal

- Total homes moving 5,542
- Number of homes per day
 1. 506 homes moved from Monday to Wednesday.
 2. 642 homes moved from Tuesday to Wednesday.
 3. 1791 homes moved from Wednesday to Thursday.
 4. 2603 Homes moved from Thursday to Friday.

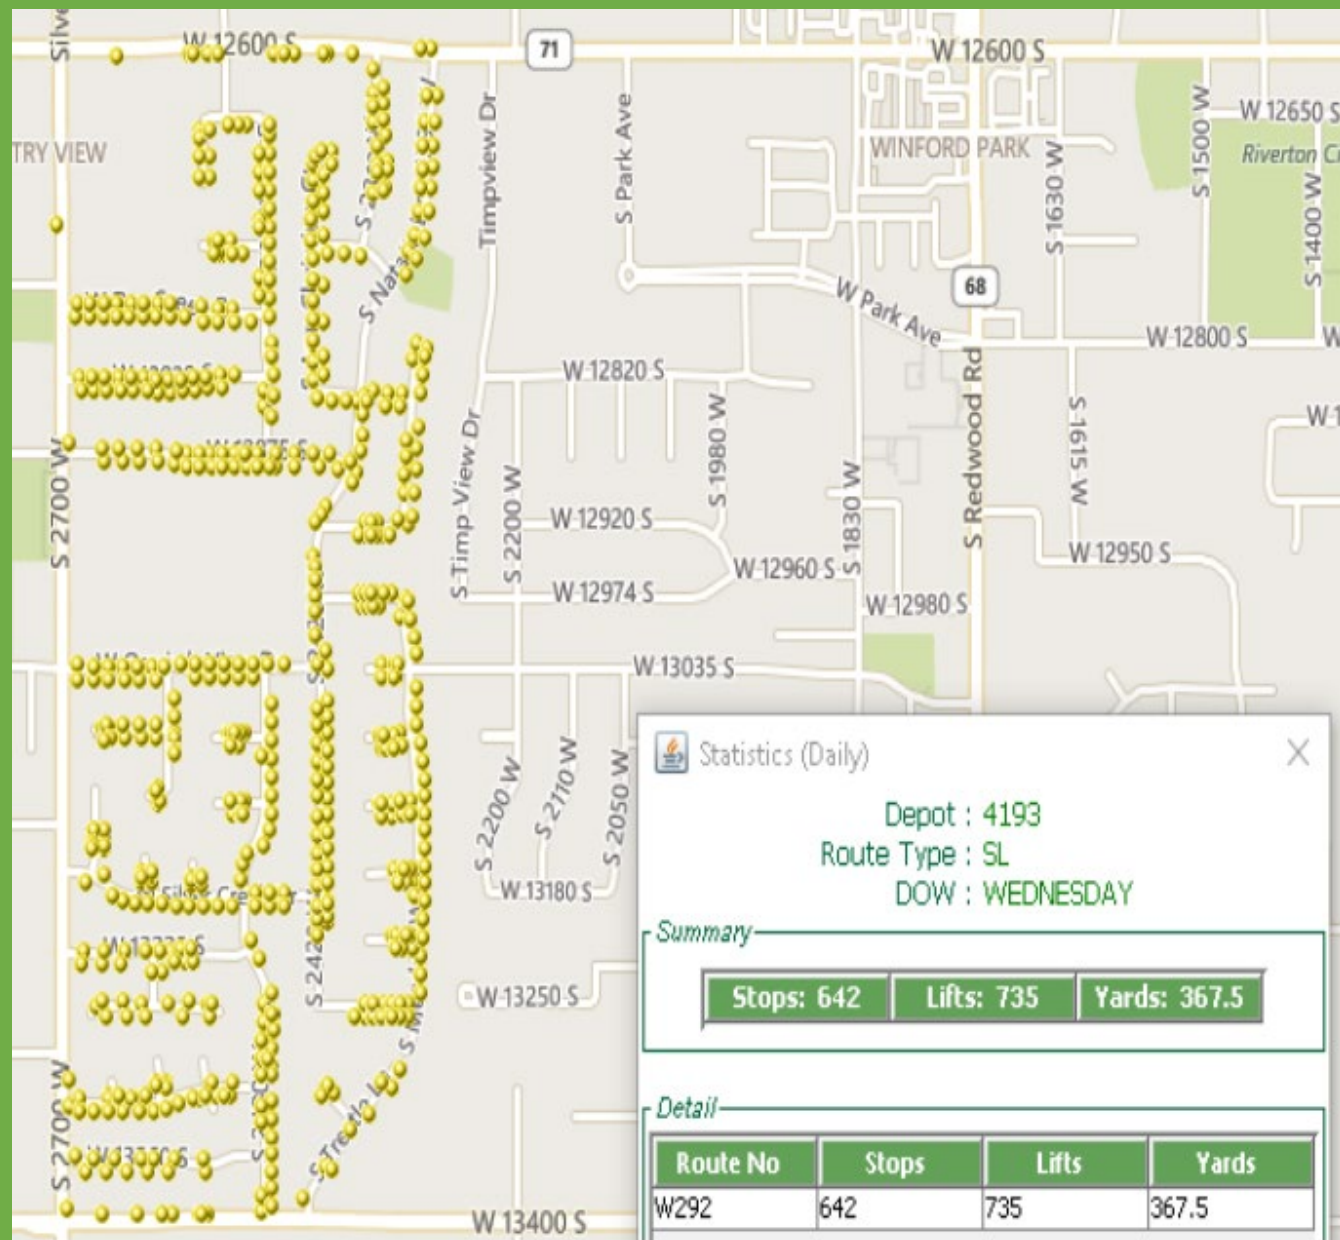

Process for informing residents

1. 1 Week prior – We will deliver a notification on each container of the homes we plan to move.
2. On the week of the service change we will service based on the following schedule:
 - Monday to Wednesday change- We will service the area on Monday according to the new schedule. We will go back through the area moved to Wednesday and service any resident that might have forgot about the change, as we service we will place a reminder notification on the can.
 - Tuesday to Wednesday change- We will service the area on Tuesday according to the new schedule. We will go back through the area moved to Wednesday and service any resident that might have forgot about the change and deliver a reminder notification.
 - Wednesday to Thursday change- We will service the area on Wednesday according to the new schedule. We will go back through the area moved to Thursday and service any resident that might have forgot about the change and deliver a reminder notification.
 - Thursday to Friday change- We will service on Thursday according to the new schedule. We will go through the area moved to Friday and service any resident that might have forgot about the change and delivering a reminder notification.
