One thousand dollars and no cents (\$1,000.00) for each day or part thereof of any utility interruption caused by the Contractor without prior written authorization.
4. Survey Monuments:
No land survey monument shall be disturbed or moved until the City Engineer has been properly notified and the City Engineer's surveyor has referenced the survey monument for resetting. Time completion may be applied to individual work sequences throughout the project. If it

is determined that there will be a number of completion sequences within the project, the above damages will apply to each sequence. The City shall be entitled to deduct and retain liquidated damages out of any money which may be due or become due the Contractor.
